

HIGHSHORE SCHOOL

9th May 2014

Dear parents and carers,

The Tree event last Friday was a huge success. Many thanks go to the South London Gallery, to Martin and our musicians and dancers. We met a number of our neighbours who came out to see the six shire horses!

By the end of the today the pupils have only seven working days left in this building. We've been doing regular work in classes and in assembly to reinforce the move. It will be sad to say goodbye to this site but we are looking forward to the opportunities the new building offers.

On Tuesday our girls' football team played in a tournament organised by the Millwall Girls' Football Project at Coldharbour Lane. They did very well and won the tournament. They were presented with their medals today in assembly.

I've written to you separately regarding arrangements of the move. Please make sure you read the letter carefully.

Eileen

Communication Tip of the Week

Try to prepare your child in advance if their routine is going to change. For example if they usually go to an after school club on Monday but it is cancelled next week, talk about it with them in advance and write down the change for them so they remember things will be different for that week.

This can help reduce anxiety when changes occur and help them to prepare for difficult situations
