

HIGHSHORE SCHOOL

13th June 2014

Dear parents and carers,

We are coming to the end of our first full week in the new building. Thank you all for your patience and support.

Our pupils have been brilliant in managing the change of site. Many of them have told us already how much they are enjoying the new facilities. This week Angus has already had a Theatre company performing a storytelling workshop for our Year 8 and 9 pupils in the new Drama Studio. Many pupils have used our Soft Play room and most have tried out the exercise machines in the new playground.

On Monday 30 June we will be holding an Open Evening so that you can see the building for yourselves. I'll give you more details about this next week. Please keep the date free.

Just to let you know that unfortunately, due to ongoing ICT issues we're not able to update the website at present. We hope to resolve this soon.

Communication Tip of the Week

Match your use of language to your child's use of language. For example if your child is using 2-3 words at a time, try to use the same when talking to them.

This makes it easier for them to understand.
