Dear parents and carers,

We feel like we've settled into the new building and lots of exciting things are happening.

On Wednesday 7E attended a Sports Festival at Bacon's College where they took part in archery, trampolining and other sporting activities, and they all had a really great time.

We've come to the end of the of the Chicks Project in the Science room. Today we watched a presentation in assembly about the last two weeks. Lorraine and Anthony have welcomed the whole school and visitors to see the chick's development. We will be sad to see them go.

You'll be receiving a letter in the post about our Open Evening on Monday 30 June. Do come along if you can and see the building for yourselves.

Eileen

The children are enjoying the new playground and it's equipment!
