Dear parents and carers,

We have had a fun packed week at Highshore, the highlight for us all was our London Day out on Wednesday.

Every group went somewhere different to explore London. We hope to do some great work following the day out. I went to Greenwich with class 8/9. We took a boat from there to Westminster. It was so good to see pupils really developing their communication skills and practising self help skills. Other groups went to see the changing of the guard, Trafalgar Square , one group did a London Duck tour and some pupils went to the O2 Arena. Thanks to all staff for their work and to you for your support.

Next Tuesday we have parents evening, Wednesday is our Leavers assembly and Thursday is our Sports day, so another busy week! I hope to see as many of you as possible at parents evening.
