Dear parents and carers,

We've had another busy week here at Highshore. On Tuesday evening there was a meeting of the full Governing body. Our school bank has had it's first deposits, 12T's tuck shop is up and running on Mondays and Fridays and exciting things are happening in the sixth form enterprise education classes. We're already preparing for our Christmas shows. This year we will have separate shows for key stage three and for the key stage four & five pupils.

In last week's assembly Rebecca in 12J was presented with the Jack Petchey award for her progress and being a wonderful role model for others. She joins Louis of 13M who received the award last month for progress in his communication. Today in assembly we celebrated the work of Children in Need.

I hope that you will be able to join us on Monday to hear about EHC plans and how these differ from the current system of statements of SEN. We have three years to implement these changes and will be holding our first EHCp meetings this term. The meeting starts at 3-30. Do let Sue Perry in the school office know if you're able to attend.

Eileen
