

HIGHSHORE SCHOOL

9th January 2015

Dear parents and carers,

Happy New Year! We are looking forward to a lot of activities this term. This month we are starting a monthly film screening. Pupils are invited to stay after school and watch a film in the activity studio. The quality of projection is excellent. Our sixth form will sell refreshments as part of their enterprise education. Our first screening is on Thursday 29 January. We will be showing "Frozen" we hope that you will support this activity.

In January the weather is due to be very cold. Can we ask that you send your child in to school with a hat, scarf and gloves. The school has been given a number of donations over the holiday period and we are happy to distribute replacements to pupils who need them. Thank you for your support.

Next week you will all receive a curriculum overview for the spring term. This will cover the topics your child is studying so that you are able to support them more fully at home. Copies will also be available on the school website.

Our daily reading programme continues. We will celebrate world book day towards the end of the term. Other activities coming up include friendship fortnight in February where we will focus on what being a good friend means.

With very best wishes for 2015

Eileen
