Dear parents and carers,

I hope that you've received this term's curriculum overview for your child. Please take the time to go through it and do come back to us with any questions. The term is in full swing now. After school clubs started back this week and so did work experience. Millwall football club start back with us next week for the girl's football group.

On Thursday a group of young people visited Eversheds which is a city law firm. They all entered designs in the honey label competition before Christmas. Eversheds keep bees on top of their office in the city of London and our pupils were asked to design a label for the jars. Well done to Angel in class 8/9 who was the overall winner and who received a voucher from Eversheds.
