Dear parents and carers,

We have been managing to get outside most days this week despite the weather. We are making sure that the pupils are well wrapped up and always have indoor spaces available. This cold spell is due to continue into next week.

On Thursday 29th we are holding the first of our monthly film club screenings. The film is Frozen. We hope that you will support this new activity. The pupils will be asked about what films they want to suggest for future months.

Monday 2nd – Friday 13th February is Friendship Fortnight. During the two weeks we will be holding assemblies, a community sing song and promoting friendship activities in the classroom and the playground. Pupils will be able to send each other friendship cards, make friendship bracelets and enterprise pupils will be selling friendship cookies.
