

HIGHSHORE SCHOOL

20th March 2015

Dear parents and carers,

The weeks are flying by. We break up for the Easter holiday next week! We held another film club yesterday evening. Forty pupils joined us for "Happy Feet". It was a great evening. Thanks again to our sixth form pupils who sold refreshments.

Also this week another seven of our pupils were interviewed by Southwark for "Quality Champion" roles with the authority. We are keeping our fingers crossed that some of our pupils will be accepted.

Thanks to you all for your support last Friday on Red Nose Day. The pupils looked amazing. So far we have raised £167-47! Do take a look at the website to see more photo's of the day.

Today we welcomed Councillor Kieran Williams who spoke to the school council and to some of our sixth formers about the role of the council in Southwark and about the upcoming election.

Next Wednesday is our business links day. We're visiting a huge range of places and businesses. We will share some photo's in next week's newsletter and on the website.

Business Links Day

Friday 27th March
Last day of term
Pupils finish at 1.30pm

Last week we had the spring term full governing body meeting. We always look at progress since the last meeting as well as planning for the next term and beyond. I'm pleased that we have recruited a new head of maths, that the work experience programme is growing and that World Book Day was such a successful, really working to develop pupils' reading and a love of books. Next term, governors will be doing safeguarding training. We'll also be looking at the new ofsted requirements and evaluating how the school's doing in each area. We sampled scones and biscuits made by Year 14, and I hope that we can do that again next term as they were delicious.
