

HIGHSHORE SCHOOL

27th February 2015

Dear parents and carers,

It was great to see everyone after half term. Some work took place in the playground during the week and the first part of the totem pole is now in place. You will remember all our work on the tree in the old building. The South London gallery hope to have all work completed during March.

Forty two pupils stayed for Film Club on Thursday evening. We had a great time. The sixth form again sold refreshments. In March our film will be "Happy Feet" we do hope you will support film club. It's a great chance for pupils to socialise in a relaxed way and to enjoy time with their friends.

We are all busy preparing for World Book Day next Thursday. I encourage you to provide a costume for your child. We are all dressing up and it will be a fun filled day with lots of activities.

On Monday 16th March we'll be running another ICT session for parents who want to improve their ICT skills. More information will follow but do make a note of the date now if you're interested in attending.

There is a lot going on this half term. Please remember to check the school websites for dates and for details of what's happening.

Being a star and remembering all the answers to the questions

We said goodbye this week to Heather Turpin our fantastic OT. After three years with us Heather has been moved by the NHS to another place of work. During her time with us Heather has not only been an outstanding therapist but has made a huge contribution to wider school life. We will miss her work with pupils, staff and parents. We will be saying a special goodbye to Heather next Friday when she is joining us for assembly.

Film Club Night

Yesterday saw the second Film Night Club event, when the pupils watched 'Toy Story'.

There was an even bigger audience than there was for last month's 'Frozen' with 42 pupils.

Everyone had a great time, there was popcorn, ice cream and drinks for sale.

Watch out for next month's Film Club, when the film will be 'Happy Feet'.
