

Class 10L - Summer Term Curriculum Overview

This term pupils will be staying with their class teachers who will deliver a variety of subjects and topics as part of our *Recovery Curriculum*.

Subject	Topic
Literacy	We will continue to watch 'Newsround' each morning and hold discussions about what the students have understood from each news article and why the issues raised are relevant or important to us. We will be continuing to work on <i>Nessy</i> , an online portal which allows students to progress at their own pace through different learning islands that focus on reading, inference and spelling. We will also be continuing our weekly spelling tests and word games.
Numeracy	This Term, we will be focussing on measuring. We will look at different reasons for measuring, different units of measurement, why accuracy can be very important and how these skills will transfer to everyday life.
PSHE	The focus this term will be personal safety, independence skills and places in the community.
Art and Craft	We will be using 'Easy Drawing Guides' to learn how to build pictures in stages. Students can choose their own subjects which range from cartoon style through to wildlife imagery.
Music	We will continue to study, practise and perform famous songs. We will record them on a weekly basis and the performances will be included in each Friday assembly. These will be available to watch on the school website.
Work Skills/Employability	Students will continue to prepare for an WJEC Entry Level exam work on the World of Work/Employability. This term we will focus on finding out about different jobs people do, where they work and the skills and personal qualities needed for that job. In the second half term students will put together their own CV; this task will enable each student to assess their skills and personal qualities creating a document that is both coherent and interesting for an employer to read – links to literacy.
Drama	Drama developing team skills, personal confidence and communication through drama activities with Jeff.
PE	Students will continue to have dedicated PE and Fitness slots with our Sports Coach on Monday mornings for a double period and a single period on Wednesdays.
