Medal Winners at Highshore

Shomari, who is a member of Kuk Sool Wun, a Korean form of martial arts, travelled to Norwich last weekend to take part in the European tournament. He displayed expert skills in his forms and techniques and came away with silver and bronze medals missing the gold by one point.
 Well done Shomari!

Bradley won a silver medal in the swimming event, for the 25 metres freestyle at yesterdays' London Youth Games. He was representing Southwark, as students from schools in Boroughs across London competed against each other.
 Well done Bradley!

Dear Parents and Carers,

This week marks a year since we moved into this building. The time has gone very quickly. Thank you for all the support you've given us throughout the move and during our settling in period. The young people felt at home here very quickly and we've seized every opportunity this building offers us.

Over half term five pupils attended the storytelling workshop run by Tony and Becky our speech and language therapists. It was a pleasure to see the pupils so enthusiastic about being here during their holidays! We hope to run further workshops during the summer.

We will be holding our Literacy week between Monday 15th & Friday 19th June. Our theme is Dickens and the Victorians. There will be a lot of special events taking place. On Wednesday 17th we hope that everyone will come to school dressed in Victorian outfits. More details will follow shortly.

This Wednesday we are holding our Dragons Den day. Pupils will work in their class groups and will pitch ideas on the theme of "Make break time better". We'll include photo's of the day in next week's newsletter.
