

Lewisham Southwark College
Supported Learning
Afternoon Information Events for Parents and Students 2015-2016

If you are interested in finding out about Supported Learning courses in the college and are thinking of applying for a place to start college in September 2016 then we would be pleased to see you at one of our parent/guardian information afternoons

We hold events in the afternoon as this will give you the chance to see the college during the day while students are in classes and will give you the chance to visit classes and see students at work. The information events are mainly for parents but potential students are also welcome to come along.

At an open afternoon/information event you will;

- Have an introduction to the different courses and support available in the Supported Learning area of the college
- Ask any questions about courses, the college and support
- Look around the Lewisham Way site of the college
- Visit classes and have the chance to talk to students and see different classes in action

Afternoon information events start at 1.30pm prompt so we can talk to and show around whoever turns up on the day. The event normally finishes between 2.30pm and 3pm.

Dates for Afternoon Information Events (all starting at 1.30pm)

- **Tuesday January 12th 2016**
- **Tuesday February 2nd 2016**
- **Tuesday March 8th 2016**
