Dear Parents and Carers,

We have all been challenged by the soaring temperatures this week, we have been encouraging our young people to drink plenty of water and to bring a sunhat / cap into school. The heat is due to continue next week - thank you for your support.

On Wednesday - the hottest day of the year so far, the whole school took part in our London citizenship day. Places visited included: HMS Belfast, Southwark council offices, the Clink, Buckingham Palace and the fire station! This was a great opportunity to explore London. Despite the heat everyone had an excellent day.

Also on Wednesday I held a meeting for parents to feedback on our achievements as a school this year and to outline our priorities for next year. Eighteen families joined me together with Shane Holland and Herty Oppong, our Governors. It was a very positive meeting. I will be sending out the slides from the presentation to everyone on Monday.

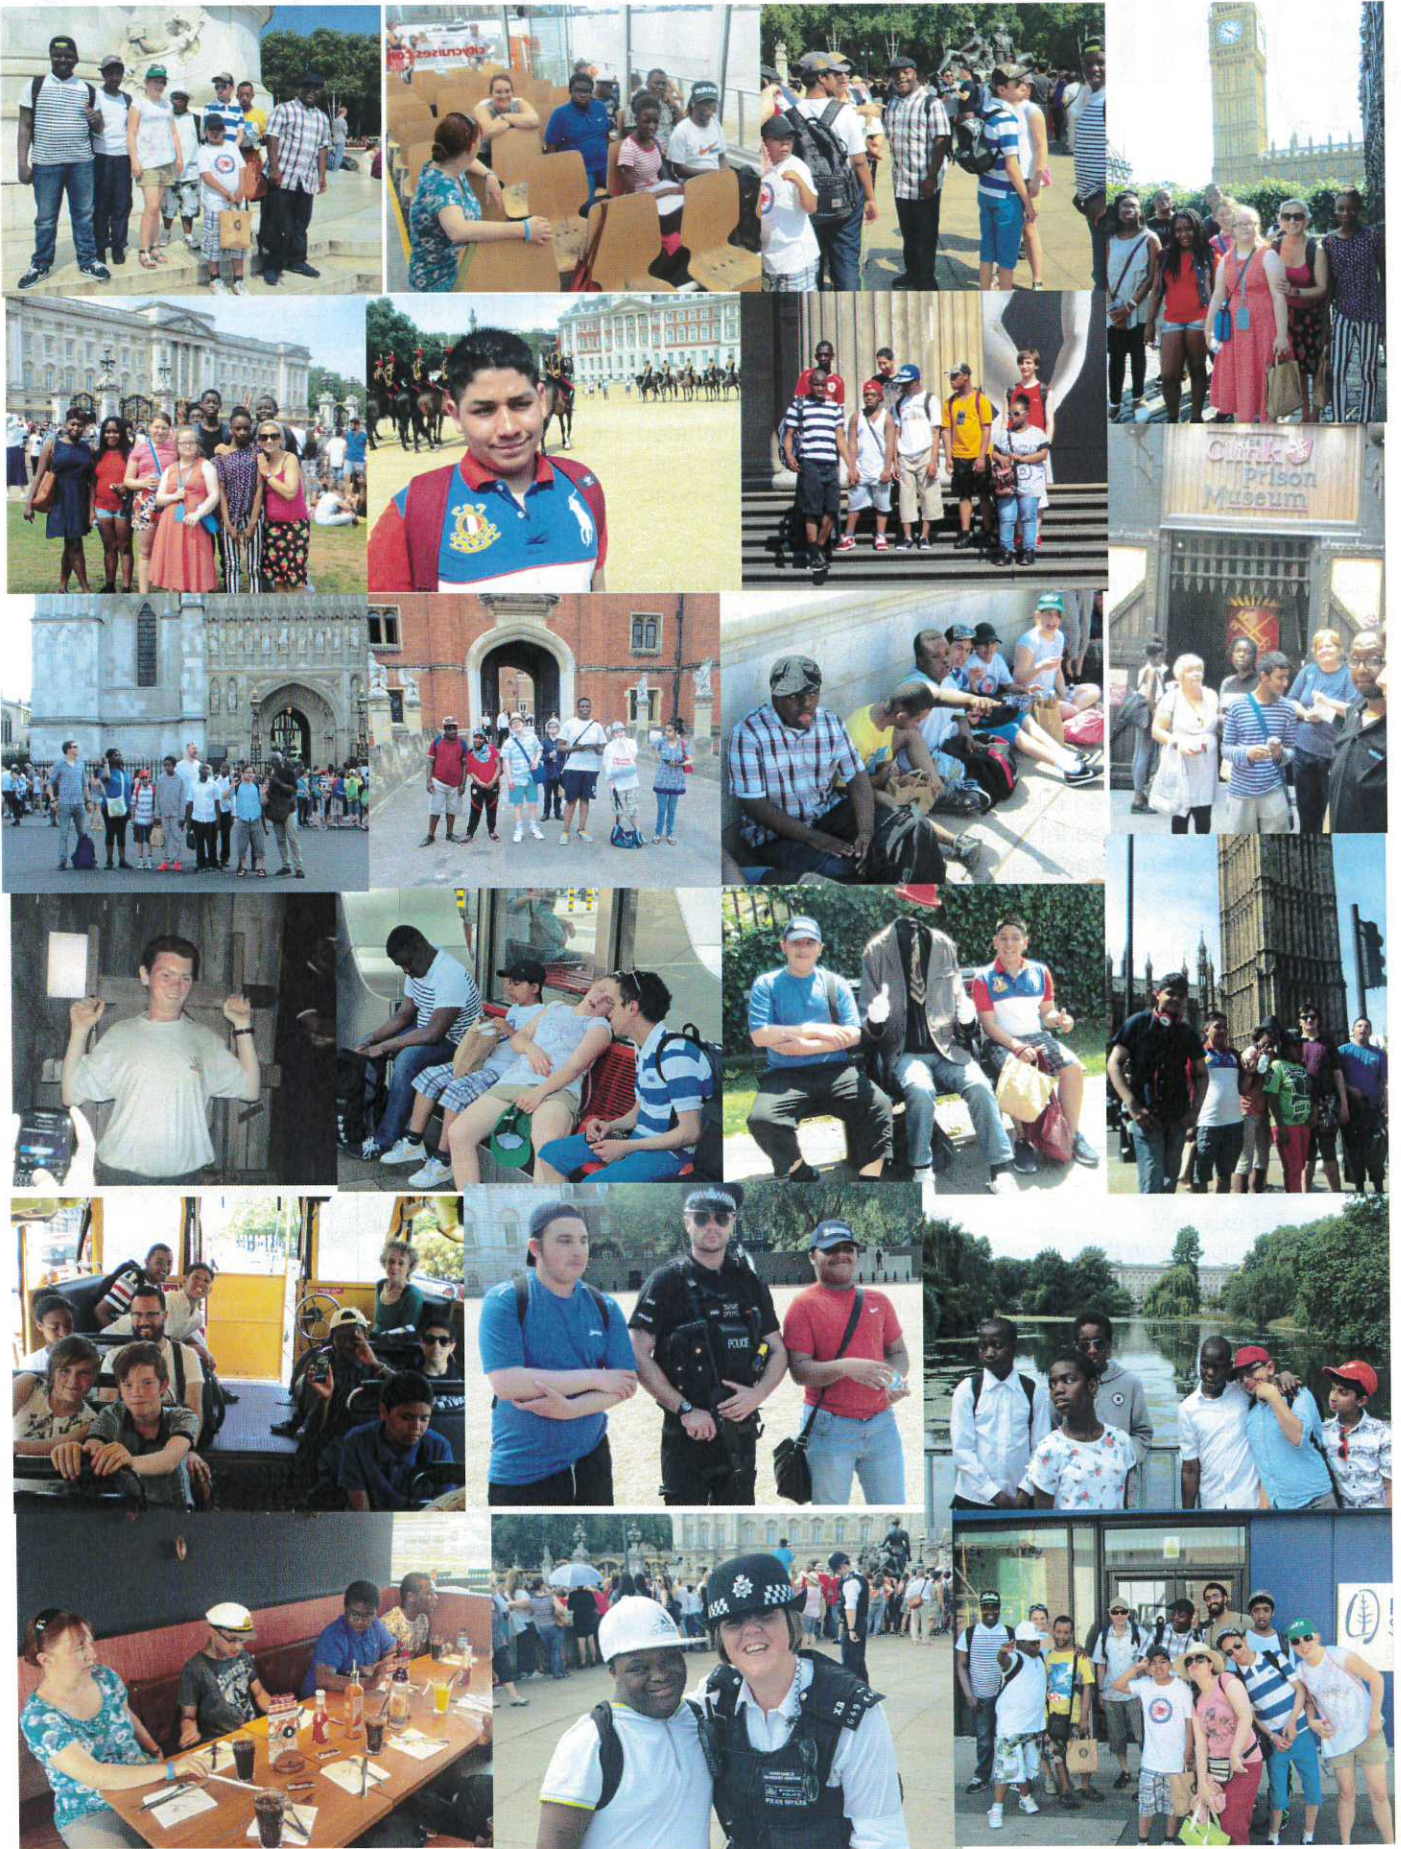

You should have received a letter this week about parents evening on Monday 13th July. Please let the office know if you haven't received this. It's an important meeting and a time to reflect on progress this year. I hope to see as many of you as possible on the evening.

Next week is our leavers last week at Highshore. For the rest of the school there are two weeks left until the summer holidays begin!

Eileen
