Dear Parents and Carers,

It feels like the term has really got started now. Following our street dance taster class on Thursday all after school clubs start again on Monday. Next Thursday we have a first film club of this school year. Last year this was really well attended and I'd encourage new pupils to come along. Our first film is "Home".

College starts again next week for our sixth form pupils. Our sixth form now has five classes. Our oldest pupils in 14M will be going on their residential this half term. Our school council holds its first meeting next week. We will be discussing last term's pupil survey and following up on pupil views.

Our new pupils are settling in well. We will be holding a year 7 parents evening on Monday 28<sup>th</sup> September so that parents can find out about how their child is doing. Copies of all letters and of meeting dates are on the school website. Please check it regularly as we are always adding new updates.

Should any of you have any spare books at home Cat Rolley is looking for donations for our new mobile library. Please send books in if you can.

Eileen
