Dear Parents and Carers,

Lots has been happening this week. On Wednesday we had our first school council meeting of this school year. Peter 8/9 our chairperson led a discussion on how we can be an even more healthy school. I fed back on the results of the pupil survey in the summer term and there were suggestions from class reps including more homework! You will find the minutes of the meeting on our website.

On Thursday our parents and Governors coffee morning provided an opportunity for parents to meet up and share experiences. It was good to welcome some new parents to the meeting. Don Burford (parent Governor) will be writing a report of the meeting for the newsletter. Thanks go to all parents who attended and to Julia Field and Shane Holland our Governors.

Also on Thursday we held our first film club of this school year. Thirty eight pupils joined us for "Home". This added to our street dance and ICT clubs meant that we had fifty four pupils on site after school! It is great to see our young people enjoying the building and making the most of after school opportunities.

Eileen

Don't forget

EHCp Meeting for all parents on Monday 21st Sept at 3.30pm

This meeting will explain how Education Health Care plans are taking over from Statements, and what this means for students and parents.

Could we please remind parents to let us know of any change in their contact information, and especially any emergency contact information.

Also, if you would like to receive the newsletter by email, please give the office your email address.
