- Mon 2nd Nov—PUPILS RETURN
- Fri 6th Nov—Flu Vaccinations
- Fri 13th Nov—Skills London Careers Fair

Dear Parents and Carers,

It's been a packed week in school. On Monday and Tuesday Cat Rolley our work experience co ordinator and pupils had a stall at Tooley St showing the products we make in Enterprise Education. They received a lot of orders from council employees. 14M enjoyed their residential this week. Thanks go to the staff team who accompanied them.

On Wednesday we celebrated "No pens day". This is a day promoted by the Communication Trust. There was great learning going on in classes. Examples include drama, poetry, map making with symbols and string. We also held special key stage assemblies. Also on Wednesday 12A visited Tooley St to pitch their business cards Enterprise project to a group of staff. The pitch went well and the class stayed for lunch. On Thursday Garnet class took part in a Boccia tournament at Battersea park.

Today we have the Balfour Beatty safety truck visiting us all day. 10L are enjoying their project with Corali dance and pupils are busy with their entries for the AXIS Andy card competition. Winners will be announced next week in assembly.

Next Thursday 16th October is our year 11 parents meeting at 3-30. I do hope to see year 11parents there. The meeting will give an overview of our sixth form provision.

Eileen

Term time leave:

In line with national Government and Southwark Council's guidelines, Highshore School will not be authorising any leave during term time, unless there are exceptional circumstances.

If parents believe that their reason(s) for needing to take their children out of school during term time are exceptional, they **MUST** come into the school to discuss the matter with the Head teacher and complete relevant paper work and provide supporting evidence. Holidays should **not** be booked before the school has been consulted.

If children are taken out of school during term time or return late from holiday periods, parents may face being fined, £60, which if not paid within 21 days, increases to £120.

If you wish to discuss this matter please contact the school to make an appointment with the Education Welfare Officer.
