Dear Parents and Carers,

It's great to be back in school following the half term break. It was good to see the pupils and to hear their news. There is a lot happening in school over the next few weeks. Please check the school website for a calendar of dates and for up to date information.

Our first parent's resource making group will be held on Monday 16 November 10 -12. This was a great success last half term. Do come along, even for some of the time.

On Monday the school council are meeting. We are going to be part of a BBC news project early next year which is very exciting. We shared a little information in assembly today and will brief the council fully on Monday.

Eileen

The film at this month's Cinema Club, will be the newly released
