Jack Petchey Winners

Dear Parents and Carers,

We've had a great week here in school. On Monday the school council met and had a presentation from Nick who looks after our website on the BBC news day project. This takes place on March 10. We're very excited to be part of it and will be preparing some mini news bulletins between now and March. The school council had some good ideas for news stories!

On Tuesday Alfie in year 14 started his work experience at Alix Partners. He had lots to tell us when he got back to school. Alfie will be on placement there two days a week. On Wednesday 7L represented us at a sports tournament held at the City of London Academy. On Thursday the school dentist visited us. Today in assembly we welcomed Fitzroy from Southwark who was collecting our entries for the green spaces in Camberwell competition. Also in assembly we gave out our three Jack Petchey certificates for September, October and November. Well done to Montel (10L), Mahir (10T) and Emmanuel (Garnet). We are all proud of you!

Next Monday is our parent resource making group. We have sixteen parents coming along so far. Please do join us if you can.

Eileen
