Dear Parents and Carers,

November is flying by and we're already starting work on our Christmas performances! A full list of dates is on the school website and I'll also send further information home next week.

We've had a busy week selling to the public. Our pupils sold products made by enterprise classes at Tooley St on Wednesday raising £526 and at Thameslink on Thursday raising £350. Well done to all pupils who staffed the stalls and who made the products. We're also hard at work on two external commissions for Christmas cards totalling five hundred cards.

Thank you to the parents who came to the resource making group on Monday. A large number of resources were completed for the SaLT team. There were very positive comments about the quality of the school lunches enjoyed by the group! Our next resource making group is on Monday 7th December please and will be making items for the Christmas productions. Please do come along. It's a great opportunity to chat with other parents and to support the school.

Eileen

The DVD has landed!

Make sure you return your slips for next weeks' Cinema Club!

MINIONS

Thursday 26th November

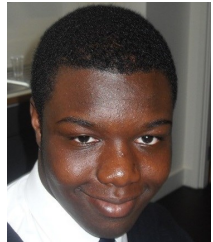

Enterprise Scheme Stalls

There were two very successful enterprise stalls this week at Southwark Council in Tooley Street, where they raised £526 and Thameslink offices where they raised £350. Students displayed great selling skills making a total of £876! Well done to all students involved, they will need to be very busy making more merchandise for the next stall!
