

12K Spring Term Curriculum Overview

This term pupils will be studying the following topics in their KS5 curriculum

| Subject | Topic |
|---------------------|--|
| Functional Numeracy | Pupils are developing functional skills in number, money, time and measurement. The emphasis is on applying these skills in everyday situations and increasing confidence in problem solving with mathematical 'know how'. |
| English | Greek Myths- exploring key facts about Ancient Greece and exploring the myths- Pandora's Box and Icarus and Daedalus. |
| Enterprise | In combination with 12A, recycling egg boxes into seeded paper flowers and using them to make 'Grow' Greetings Cards to sell throughout the year. Decorating gift boxes and donated items for sale as part of recycling. Cutting handmade felt for assembling as brooches. |
| ICT | First half-term: Pupils will learn to use a variety of digital music packages to compose, mix and perform their music creations. Second half-term: Pupils will learn how to use emails and how these travel across the internet. |
| Music | Pupils will explore different types of reggae, ska and related popular music from the UK & Caribbean, with focus on rhythmic styling using keyboards and drums. |
| DRAMA | Pupils will devise, improvise and perform short pieces of their own choice. They will use lights and sounds to enhance atmosphere and setting. They will work in small groups, assigning cast roles and directors, light and sound directors. Pupils will be encouraged to create characters and scenarios with a beginning, middle and end – using the 'Z' model of story building. |
| ART | Look at a variety of pirate images and original prints by the illustrators Janet and Anne Graham Johnstone. Create an individual character & costume design exploring and experimenting with different Art techniques, materials and using ICT skills. Listen to the sound track from the opera by Gilbert and Sullivan Pirates Of Penzance. Use Colourful Semantics Sentence Strips & Talking mats to plan and discuss the work. |

| <p>Lambeth College Link Course</p> | <p>Pupils are working at the Clapham site and developing their vocational communication, literacy and numeracy skills as well as their creative craft skills through working on an enterprise project.</p> |
| <p>Life Skills</p> | <p>Each week the group will go shopping to Morrisons to buy food for the Breakfast Club. Each member of the group will be assigned an item to find in the supermarket. Over time they will learn to pay for it with as little support as possible.</p> <p>Additionally pupils will also begin the Personal Progress Unit 'All about me', which will encourage them to build greater self-awareness. These units are accredited through Entry Pathways and Personal Progress schemes.</p> |
