Dear Parents and Carers,

We've had a very busy and varied week at school. On Tuesday evening we welcomed our new parents whose children will be starting here in September. We will have three new year 7 classes in September this year rather than our usual two classes. On Thursday the year six pupils joined us for their taster day. I was really proud of our pupils and how caring and welcoming they were towards our new pupils. Our visitors had a great day: the playground, lunch and Lego were particularly enjoyed and some new friends were made. We look forward to seeing them all in September.

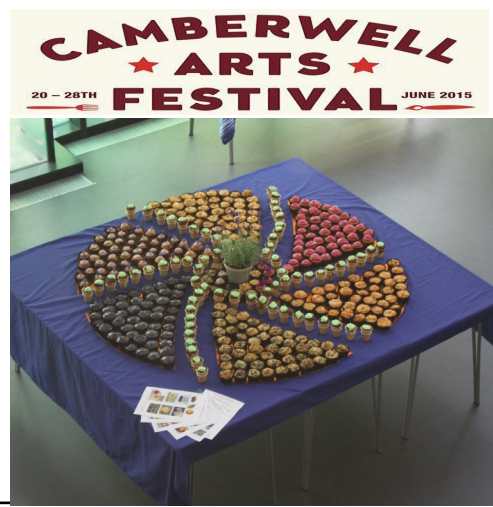

On Wednesday we took part in the Camberwell Arts Festival. Our muffin mosaic was amazing and enjoyed by all. Thank you to those parents who came into school to support us. Well done to all our pupils for their baking and thanks to our sales team: Nazir and Habib.

Also on Wednesday we held our last school council meeting of the school year. Thank you to the council for all their work this year. They are a fantastic group of young people. As Lewis 12J said at the meeting he enjoyed being on the council because "I find out about problems and I'm able to make things better"

Today we held our business links lunch and welcomed representatives of charities, businesses, the local authority and organisations that we work with. This was a great success. All the food at the lunch was made by our pupils and served by them. We'll include some pictures in next week's newsletter.

The term is flying by. Next Wednesday is our London day. The whole school will be going out in class groups. Our focus this year is on being citizens of London. I will write more about this next week.
