

14 January 2016

Dear parents and carers,

The Challenge

Last summer six of our pupils took part in the Challenge which is a three week programme run over the summer holidays.

This year again the Challenge are keen to work with us at Highshore. We are inviting you to a meeting on Thursday 28 January at 3-30 when you can learn more about the programme and hear from parents of those pupils who took part last year.

I would strongly encourage you to attend the meeting. This is an amazing opportunity for our pupils and we are very grateful to the Challenge for their support. Please read the letter attached and fill in the slip below.

I look forward to seeing you on 28 January.

Yours sincerely

Eileen Ollieuz
