Dear Parents and Carers,

Thanks to those of you who came along to our resource making group on Monday. This group is a support to the school and there is always a lot to do. On Tuesday eight parents took part in our first parent ELKLAN speech & language training. There was very positive feedback at the end of the session.

Friendship fortnight is underway. Cards are being posted and pupils are taking the time to talk about what being a friend means. Their views are displayed across the school. We've also been talking about friendship in assemblies.

About twenty pupils went with Angus yesterday to see Mamma Mia. The show was enjoyed by all. Three of our sixth form classes are on their residential and are due back by the end of the day today.

Wednesday 10 February is our business links day. Please make sure that you've read the letter I sent out earlier in the week. This was a brilliant day for us last year and we're hoping that our pupils will get as much out of it this year. Thanks for your support.

Eileen
