Friday 18th March—International Evening

Dear Parents and Carers,

We had a brilliant day on Wednesday. The business links visits went really well. The pupils were so well behaved and were a credit to us. Places visited included Renaissance Radio Station, the Festival Hall, Lewisham shopping centre, Pizza Hut, Royal Bank of Scotland, Southwark Crown Court and the houses of Parliament. Do look at the website for more pictures and information. We learned a lot about the world of work and came back to school with a great deal to tell each other. Thanks go to all the businesses and workplaces who hosted a visit. Their support really made a difference to our young people.

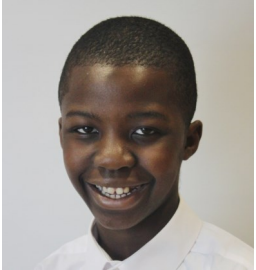

Last night the Challenge programme gave another presentation to parents of year 11-14 pupils. We are hoping for a good number of applications for the programme this year. Last summer seven of our pupils completed the three weeks – we hope to improve on this number this summer.

Yesterday we had a whole school singing time to round off friendship fortnight. This was organised by Martin with a number of pupils leading the singing. John, Peter, Temi, Maria, Marcus and Viamer all gave confident performances. Well done to all of them! Today we celebrated our many achievements this half term in our special assembly which was a great end to the half term.
