Dear Parents and Carers,

It's been a great week here in school. I saw a good number of you on Monday at the parent group meeting. Plans are well underway for the international evening on Friday 18 March and I'm really looking forward to the event. Parent ELKLAN training continued on Tuesday. Reports are that the group is really enthusiastic and progressing quickly.

On Wednesday we had our first sessions of cycling and bike maintenance with Access to Sport. 11N, 13S and 7L all really enjoyed their workshops and are looking forward to next week. Also on Wednesday we had a performance for key stage 3 of the London Children's ballet. We watched "Snow White" and it was a really lovely show. Afterwards the dancers mixed with our pupils who were able to try on costumes and try out some steps! Huge thanks go to the company for a wonderful afternoon.

A good number of pupils enjoyed film club on Thursday evening and today we gave out certificates in assembly to the twenty pupils who attended the holiday programme last week!
