Dear Sir/Madam,

We are a group of parents and carers of children from Highshore School, which is a special needs school situated in Camberwell, London SE5.

Many different ethnic groups and faiths are represented at our school. There is a high proportion of children who receive pupil premium and are entitled to free school lunches.

Highshore caters for a wide spectrum of special educational needs. It is a very positive and happy school environment, and the school is very committed to raising educational standards for all children, within a broad and creative curriculum.

One of our aims is to raise money for the school to enable it to continue with its work, programmes and projects.

We would be really grateful if you are able to donate any goods, gift vouchers or tokens as prizes for our forthcoming International evening on **Friday 18 March 2016**. We can collect donations or you can send them addressed to the Friends of Highshore School at the above address by **Wednesday 16 March 2016**.

If you want confirmation of our status or identity, please feel free to contact the school office directly as above or via email (general@highshore.southwark.sch.uk). Should you wish to learn more about us please also see our website. www.highshore.southwark.sch.uk or twitter feeds (@highshoreschool and @madeathighshore).

We look forward to hearing from you.

With thanks and best wishes,

Sharmain Beddoe-Howard
