

12K Summer Term Curriculum Overview 2015/16

This term pupils will be studying the following topics in their KS5 curriculum

Subject	Topic
Functional Numeracy	Students continue to development their understanding of coins and using money. Some students will learn and understand how the term 'tens' and 'unit' to place numbers in order and understand terms such as 'greater than, 'less than', 'more than.' Some students will learn how to count and place numbers in order for example on a number line. Some students will be using numbers in simple calculations that involve addition and subtraction.
English	First half Term- Exploring the Greek Myth of Daedalus and Icarus. Second half term- Non Fiction topic London-Exploring travel, tourism, major attractions etc.
Enterprise	Continuing on a recycling/upcycling theme we will be making felt brooches from donated woollen clothing and broken jewellery. Also decorating boxes, notebooks and frames using decoupage. Making handbag charms from donated broken jewellery and cutting seeded paper for card making by 12A.
ICT	First half-term: Students will learn how computers use variables to count things and keep track of what is going on. Pupils learn to create simple games which use a score variable. Second half-term: Students will learn different ways of collecting weather data, analysing the data and presenting it.
Music	Continuing the introduction to Garageband on the iPad, pupils will work in 2s learning to create a song using a template with 2 or3 chords, with focus on a structure that includes chorus, verse, bridge & instrumental.
Drama	Improvising, devising and performing. Students will work together to perform pieces of their own devising and based on their initial ideas.
ART	<u>Pirates/Tin Tin</u> Continuing the Pirate theme from last term – Art works responding to “Red Rackhams Treasure” their reading time book. Making Art work for a “Tanabata” (Star Festival) exhibition in the foyer on 7th of July

Lambeth College Link Course	Pupils are attending college at the Clapham site and taking part in a sports programme to develop fitness for leisure skills. .
Life Skills	Part of the Personal Progress Accreditation 'Using a Shop'. Every week the group travels to different local supermarkets to do some shopping for the school's Breakfast Club. Each student is responsible for buying one or more items individually. Through regular practice students will build their knowledge, confidence and independent skills.
