

HIGHSHORE SCHOOL

22nd Apr 2016

Dear Parents and Carers,

There was a very positive meeting of the parent group on Monday. Thank you to all of you who came along. The group is organising an event for the summer term which will especially say goodbye to our leavers. More details about this will follow soon. They will also be supporting at a number of school functions during the term. Please do think about getting more involved in the life of the school. The group are always keen to hear from you. Simply contact your class rep.

We've had a lot going on here in school: Access to sport are continuing with cycling sessions on Wednesdays. Three classes: 11N, 12A & 12K attended Career's fairs on Thursday and Friday. Yesterday 14M and some of 12K took part in a football tournament at Long Lane football club. We've had a change of pupils on work experience in the school canteen and new shifts are getting used to their duties. The weather has been kind to us and there's been a lot of fun in the playground with new equipment following a tidy during the school holidays.

Next week group of year 11 pupils take their GCSE art exam and other year 11 pupils will be starting their functional skills tests. Good luck to everyone!

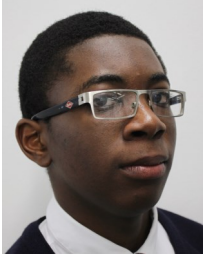

Eileen

Hello, my name is Nicola and I have been a qualified Occupational Therapist since 2010. I have worked in numerous schools across the country, including Haymerle and Cherry Gardens within Southwark. My primary goal is to enable the children to participate as fully as possible in school activities. I try to incorporate a meaningful activity to enable those with limitations to achieve their full potential. I will look at self-care skills - such as getting dressed, using cutlery and moving around the school. School skills - handwriting, using scissors, attention, visual perception and sitting positions. Sensory processing skills (how a child understands information from the outside world) - loud noises, bright lights or different textures. I am currently in school on a Tuesday, if you have any functional concerns regarding your child within school please contact me there.

Thursday 28th April—Cinema Club 'The Good Dinosaur'
