Dear Parents and Carers,

Some great things have been going on here at Highshore! Our Mayor, Councillor Dorah Dixon Fyle was very generous with her time last Friday. Not only did she present a large number of certificates but she also toured a number of classrooms spending time with pupils in 7E, Garnet and 14M. Our thanks go to Councillor Dorah.

Cycling workshops continued on Wednesday. Pupils are becoming so confident. Thanks go to Access to Sport for this opportunity. On Thursday 7E spent the day at the Oval playing cricket. They came back full of enthusiasm and had a great day.

I hope to see some of you at the resource making workshop on Monday 10am -12 noon. This is a great chance to support the school and enjoy lunch afterwards.

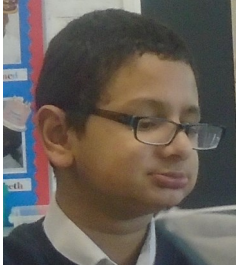

Eileen
