

HIGHSHORE SCHOOL

24th June 2016

Dear Parents and Carers,

Our Olympics day on Tuesday was a real celebration of the Olympic ideals. Everyone enjoyed taking part and even the weather turned sunny! Thank you for supporting the day – the pupils looked great in the colours of their continent. Many thanks go to Mike, Martin, Jo and Earl for organising the day. Special thanks go to Greenhouse who sent a number of coaches to work alongside Jo who supported us so well on the day.

On Wednesday Ibi and Sam from 11J spent the day at the Royal Bank of Scotland shadowing the work that the bank does. Thanks go to Cat and to Joseph who went with them. There is a further work shadowing day at RBS in July. We appreciate the support of RBS in developing skills in the workplace for our young people.

Today 11N are in Brighton as their Jack Petchey award outing.

Just a reminder that the parent resource making group is meeting on Monday between 10-12 noon. The group is making resources for the leavers celebration evening which will be held on Friday 8 July 5-8pm. Do come along to the resource making group if you can. More information about the leavers event will follow shortly from the parent group.
