

HIGHSHORE SCHOOL

16th September 2016

Dear Parents and Carers,

We have enjoyed the sunny weather. Thank you for your support in sending your son/daughter into school in suitable clothing. Today we had our first wet play of the school year!

On Monday a good number of parents attended the Parent Group Meeting. It was great to see some new parents there. Your support is invaluable.

Next Monday, there is a meeting for Year 13 & 14 parents about destinations. Please come along if you can. Moving on is a very challenging time for parents and we want to give you as much support and information as possible.

You received a letter about mobile phones this week. Please support the school policy to safeguard all our young people.

Please hand in your mobile phone at reception and collect it at the end of the day. Thank you

If your son/daughter has a mobile phone and brings it to school, **they must hand it in at the start of the day** to their form tutor or the school office. It can then be collected at the end of the school day.

This is to keep all pupils safe in school. If a young person has a mobile phone with them in school that could be used for example to take photos of other pupils without their permission or send texts to other pupils.

Dinner Money

May we remind parents that the cost of school meals is now £2 per day, £10 per week. Please ensure payments are made every week. We can accept cash or cheques made payable to Highshore School.
