### Matters discussed:

#### 1) How can we make sure that everyone feels safe in school?

##### Our suggestions:-

- Tell an adult if there is anything worrying you
- Don't talk about people when they are not there
- Be nice to people in the playground
- Let's use good words to talk to other people. Using bad words upsets others.

#### 2) School Lunches

- Pupils mostly feel that lunches are very good. They said that the taste is good. They like having fruit and vegetable choices.
- Two sixth form pupils said that they don't get enough food. This is the view of other sixth formers.

Suggestions for new meals include:

- Veggie burgers/burgers (very popular)
- Mexican wraps
- Chinese food

**Action:** Josiah, Runnel & Elsie volunteered to meet the new chef Natalie and speak to her about our concerns and ideas.

### **3) Playground/Clubs**

- Pupils would like:
- Races organised
- More organised games
- Mini golf back

#### **Inside Choices**

- Table tennis
- Sixth form common room
- Computer club

#### **After school clubs**

- Homework club
- Film making club
- Gym club
- Coding club

**Action:** Sue to take forward.

### **4) New Events/Ideas**

- Pupils asked for BMX lessons and trips to new places

The meeting ended with all pupils receiving their badge.
