SCHOOL DIARY DATES

HALF TERM

**Pupils break up today Friday 21st October
at normal time for one week.
Returning Monday 31st October**

Curriculum Committee

The curriculum committee of the governors met this week and we were really pleased to see all the latest exam results. Congratulations to everyone. We discussed the website and a few changes needed to make it more user friendly for mobile devices. Many thanks to Nick for all the work he does on this. We talked about all the recent staff changes and were pleased to hear that there is a lot of training available for staff despite tighter budgets. It was good to know that the pupil survey feedback and the parent survey were both really positive. As always we discussed the school development plan and Eileen brought us up to date with plans for the future.

Dear Parents and Carers,

It is half term already. Thank you for all the support you've given us over the past seven weeks. It has been very positive to see such high numbers at school events. Our year 11 parents evening on Monday was very busy and the parent group meeting on the same day was so full that extra chairs were needed.

We have had many highlights this half term: our trip to the Sam Wanamaker Theatre, new work experience opportunities at Roots and Shoots, continuing our partnerships with Just Hospitality and Southbank Mosaics and our cycling sessions all spring to mind.

We hope that you enjoy the half term break. School starts again on Monday 31 October and we have a very busy half term ahead with all our Christmas celebrations.
