

HIGHSHORE SCHOOL

4th November 2016

Dear Parents and Carers,

It was good to return to school after the half term break and to hear everyone's news. We are very busy in school. We are already making plans for our Christmas productions and events. The weather is becoming very cold. Will you please make sure that your child is wearing a warm coat and has a hat, scarf and gloves. We will, as in previous years, have a supply of hats, scarves and gloves to give to pupils who need them.

This week Shomari (14C) started his work experience placement at the Department of Education and Hayden (13K) began his placement with Harrisons in the school kitchen. We received very positive feedback about both pupils. Also this week Jack (13K) sold two pieces of his GCSE Art work which is exhibited at Streamz Café in Oval. This very exciting news and a first for the school.

Next Wednesday we welcome HyperFusion theatre company with their production of "Boy". A number of classes will be attending the performance.

Please do your best to come along to the meeting of the parent group on Monday morning. The group is busy organising the sixth form and leaver's disco on Friday 18 November. All parents and carers are very welcome.

Eileen
