

# 13K Spring Term 2017 Curriculum Overview

This term pupils will be studying the following topics in their KS5 curriculum.

Subject	Topic
Functional Numeracy	To continue developing students for functional maths. Concentrating on basic number, addition and subtraction. Recognising coins and notes. Finding ways of solving money problems. Shopping scenarios. Real life shopping. Living with money. What do we use money for? Second half Term: Measure and units. What do we use to measure...?
Literacy	The more able pupils will continue with graded written comprehensions covering a wide range of literature. All pupils will have intensive practice in phonological skill using Wordshark, Nesy, the Swap cards, and other aids.
Enterprise	The class will be making saleable items from recycled materials with particular focus on felt making, paper making and fabric recycling.
Music	The group will be working on a <b>Soundtracks</b> project. Firstly they will explore how different types of music can alter the mood of a film. Once they have decided on a genre they will make a short film and create an appropriate soundtrack to accompany it.
Art	This term pupils will be exploring portrait pictures by the artist Paul Klee and looking at the facial features and expressions, shapes, colours and patterns. We will experiment with mixed media and collage materials. Pupils will sketch self-portraits and practise shading, colour mixing and painting
Food Tech	This term Students will be exploring different dishes to cook for religious and family celebrations and how to use a variety of seasonal vegetables to create different dishes to be enjoyed in cold winter weather. Pupils will create their own recipes based on ingredients they like.
PE	<p><b>First half-term:</b> The pupils will be learning gymnastic skills, throughout the term, focusing on the 6 elements of balancing, rolling, travelling, flight, jumping and climbing. They will learn to put these into a short sequence which they will display to their peer group.</p> <p>They will learn to use positive language to critique the performance of others.</p> <p>This will all count towards achieving a Highshore School Gymnastics award.</p>

	<p>In addition pupils will experience and take part in rebound therapy too.</p> <p><b><u>Second half-term:</u></b> Pupils will visit a local leisure centre to improve their cardio-vascular fitness and strength.</p>
Work Experience	<p>Students are participating in individualised work experience placements at a variety of venues including Southbank Mosaics, Harrisons and Just Hospitality catering and Mind charity shop in Dulwich.</p>
