

14C Spring Term 2017 Curriculum Overview

This term pupils will be studying the following topics in their KS5 curriculum.

Subject	Topic
Functional Numeracy	To continue developing students for functional maths. Concentrating on basic number, addition and subtraction. Recognising coins and notes. Finding ways of solving money problems. Shopping scenarios. Real life shopping. Living with money. What do we use money for? Second half Term: Measure and units. What do we use to measure...?
Functional Literacy	<p><u>Writing</u> Students will developing their skill at writing letters to make words and using those words to write a simple sentence; with some students being able to use their knowledge and understanding of connectives to construct complex sentences.</p> <p><u>Speaking & Listening</u> Students will design and prepare presentation to give to others about the things that they like; with each student being able to ask questions on what they have heard and the presenter to answer those questions.</p>
Enterprise	The class will be making saleable items from recycled materials with particular focus on jewellery and accessories.
Music	The group will be working on a Soundtracks project. Firstly they will explore how different types of music can alter the mood of a film. Once they have decided on a genre they will make a short film and create an appropriate soundtrack to accompany it.
Art	Students will be exploring animal masks and practising their drawing, painting and collage skills.
Food Tech	This term Students will be exploring different dishes to cook for religious and family celebrations and how to use a variety of seasonal vegetables to create different dishes to be enjoyed in cold winter weather. Pupils will create their own recipes based on ingredients they like.
PE	<p><u>First half-term:</u> Students will learn about the skills used in playing tennis and will learn how to play tennis.</p> <p><u>Second half-term:</u> Pupils will use a local leisure centre gym to improve their cardio-vascular fitness and strength.</p>
Work Experience	Students are participating in individualised work experience placements at a variety of venues including Roots & Shoots horticulture project, Harrisons and Just Hospitality catering, Clapham Manor Children's Centre and The Ministry of Justice.

College Link course	Students are attending a one day link course at LESOCO college. Courses are studied on a termly rotation and this Spring students will be taking courses in Retail studies, Catering, Office skills and Sports studies.
