

HIGHSHORE SCHOOL

13th January 2017

Dear Parents and Carers,

The weather is getting colder. Please make sure that your child is wearing a warm coat and has a hat, scarf and gloves. We do our best to go outside at break and lunchtime and it's easy for young people to catch colds if they are not warmly dressed. Thank you for your support.

In assembly today we are welcoming the Dog's Trust who will be working with some classes and small groups helping young people who are anxious around dogs. This can be really difficult for young people and their families as it has an impact on many activities including independent travel. The Dog's Trust will be working with us over a number of weeks.

Today the School Council are meeting and will be discussing plans for Friendship Fortnight which starts at the end of the month.

I sent a letter out this week about writing resources which are on the school website. If you didn't receive it or would like a hard copy of the resources let your child's class teacher know.

Just a reminder that the parent group will be meeting on Monday at 10am. Do come along. It's a great way to meet others and to become more involved in the life of the school.

Eileen

SCHOOL DIARY DATES

Monday 16th January
