

HIGHSHORE SCHOOL

20th January 2017

Dear Parents and Carers,

It's been very busy here this week! On Monday our parent group met and agreed a date for the international evening this term. They will be writing to all parents with information soon, meanwhile please keep the evening of Friday 10th March free.

On Tuesday 10M went to Canada Water for an "Oscar's" ceremony. The class made a film about road safety which was entered into a Southwark competition. Well done to 10M who received two awards: best director and best film! We hope to have their film available on the website soon.

On Wednesday 7S, 8/9 and 11L spent the morning at a very cold Burgess Park. This was the end of their cycling course and they were using the BMX track and bikes. They got back to school very muddy but very happy! Thanks go to all the staff who went with them. Also on Wednesday girl's football coaching continues with Millwall. Thankfully this was indoors!

Finally, the workshops last week with the Dogs Trust were very successful and we hope that they will return to continue working with our young people.

Eileen
