

HIGHSHORE SCHOOL

10th March 2017

Dear Parents and Carers,

We've had a busy week here at Highshore. On Monday there was a meeting of the parent group which was very well attended. On Tuesday we hosted four Alfred Salter pupils who will be starting here in September. Our pupils were very welcoming and really looked after them.

On Wednesday three 12M pupils went with Emma to a stained glass making workshop in Surbiton. This was a really inspiring day. Also on Wednesday Millwall Football club coaches were with us. This week the girls were playing rugby!

On Thursday we welcomed back Hyperfusion theatre company who gave a performance in the morning and ran a workshop in the afternoon. This was for our sixth form pupils and was looking at relationships.

Today the school council met at 11am and we had a lot to talk about. This afternoon members of our parent group are in school preparing for our International evening which we hope will be a great success. I hope to see you there!

Eileen
