

# HIGHSHORE SCHOOL

21st April 2017

Dear Parents and Carers,

Welcome back! We hope that you had a good break. It was so good to see everyone on Wednesday.

Curriculum overviews for the Summer term are now on the school website. If you don't have access to a computer please request a copy from child's class teacher.

The parent group is meeting on Monday at 10am. New members are always welcome! This term parents will be planning the leaver's prom, supporting at the scholastic book fair, at our theme days and in a number of other ways. Do come along and get involved.

We've had work completed in the playground over the holiday. The football pitch is now covered overhead by netting which should help us manage ball games.

Our next theme day is coming up soon. On Wednesday 17 May we will all be working on our health and fitness as "Highshore gets moving". Mike and Jo, our Greenhouse coach are planning an exciting day of activities and sports.

Looking forward to seeing you soon

Eileen

### Football Club

Greenhouse Sports ran a Football club during the Easter break, and Leah was the only girl there, along with over twenty mainstream boys.

She really enjoyed the club, and Greenhouse were so impressed with her that they awarded her the 'Most Improved Player' award.

She was presented with this trophy at assembly today.

Well done Leah!

Bradley received Employee of the Month award last month for his sterling work on his Work Experience placement at Just Hospitality. Co-incidentally, we have Andre from Just Hospitality in school today doing some voluntary work.
