

HIGHSHORE SCHOOL

30th June 2017

Dear Parents and Carers,

Our London day last Friday, which this year focussed on the Arts went really well. Thanks go to everyone for their support and particularly to our parent volunteers. Please see the pictures on the back page.

Our new parent coffee morning, supported by our parent group, went very well on Monday. The parent resource making group is meeting this Monday to make resources for the Leaver's Prom which will be held on Friday 7th July. Please return your slip if you haven't already. This was a wonderful occasion last year. I hope to see you there!

On Wednesday we were represented at two awards ceremonies. Congratulations to all our Jack Petchey award winners and to Jo, our Greenhouse coach who won the Leader's award. We appreciate the support of all the families involved in what was a superb evening. Also on Wednesday Nick Clark & I attended the Southwark excellence awards. We were delighted to receive the award for most innovative school for our work experience programme. Well done to Nick and to Cat Rolley before him. It is great that our work is being recognised.

On Thursday we had a full governor's meeting. A brief report will follow soon. Today we are hosting a business networking lunch. Around forty employers that we work with are having lunch with us and finding out more about what we do at Highshore and how we aim to get our young people into employment.

Eileen

Vomiting and diarrhoea.

Many parents have asked about the schools' policy with regard to pupils who have sickness and/or diarrhoea; we follow the NHS guidelines that pupils should definitely be kept off school until at least 48 hours after their symptoms have gone. See website link : <http://www.nhs.uk/Livewell/Yourchildatschool/Pages/Illness.aspx>
