SalT and OT Parents Advice Surgery

Friday 14th July

Leavers last day

Friday 21st July

Last day of school year

Pupils leave at 1.30pm

Dear Parents and Carers,

There was a very positive meeting of the parent group on Monday. Plans are well underway for the Leaver's Prom on Friday 7th July. The parent group was busy again on Tuesday evening supporting the school when we held our year 6 intake evening! Twenty four young people are joining us in year 7 in September. It was good to meet them and to meet their parents. We are holding our year 6 taster day next Wednesday and are looking forward to spending the day with our new pupils.

On Wednesday we welcomed John Harris, a storyteller who worked with three different mixed groups of pupils during the day. We had excellent feedback from pupils and colleagues who all enjoyed their workshops.

We are all looking forward to our London day next Friday which this year has the theme of the arts & culture in London. Your child's class teacher will have given you details of where your child's class is going.

Eileen

CINEMA CLUB

Thursday 22nd June

**Hot at
30 °C**

The forecast for Monday is that it is due to be very hot. Short sleeved white shirts/ polo shirts and black or grey shorts are fine for school. A cap or hat will help in the playground. No jumpers please!

Please make sure that your son/ daughter brings a bottle of water to school.
