Sixth Form Parents Evening 3.30pm

Thursday 19th October

Cinema Club—Smurfs—The Lost Village

Monday 23rd—Friday 27th October

Half term break

Monday 30th October

Pupils return to school

Dear Parents and Carers,

Just a reminder that our curriculum overviews for the Autumn term are on the website. If any parent would like a paper copy please let your son/ daughter's form tutor know. The overview tells you what we are teaching and helps you to develop learning at home. The school council meeting on Friday had good ideas for after school clubs and the playground. Minutes of the meeting are on our website.

P.C. Trevor our school liaison office has written to you today. He has included his email address if you ever want to contact him directly. Trevor regularly comes into school to have lunch with the pupils who enjoy talking with him. He will be meeting our new year 7 classes over the next few weeks. We are confident that almost all pupils here have a positive view of the police and would approach an officer if they needed help.

Monday 2 October is our year 7 parents evening. We hope to see all year 7 parents. September has gone quickly and our new pupils have settled in well. Thanks to everyone for making the transition a smooth one.

Eileen

Cinema Club

**Smurfs -
The Lost
Village**

**Thursday 19th October
3.15pm to 4.45pm**

Congratulations!

There are 5 classes with 100% attendance this week, they are: 7E, 7L, 10L, 12/13Ju, 13/14L. Well done!

							 PUPILS OF THE WEEK WELL DONE!!!!	

Mohamed J
For helping other pupils when they were upset

PUPILS OF THE WEEK

WELL DONE!!!!

Your Safer Schools Police Officer

Dear Parents, Carers, Guardians,

As we are now well into the new academic year, I would like to take the opportunity to introduce myself as Highshore's police liaison officer. I'm an officer with 20 years' experience having first started my career in Greenwich. I have worked within several teams and portfolios ranging from emergency response, Safer Neighbourhoods and now Schools. I'm married with two children aged twelve and ten and live outside of London, where as a family we are also registered foster carers with the local authority.

For those who may not be aware, we are very fortunate in Southwark to have a dedicated schools team comprising of two Sergeants and 12 Constables (PC's). All secondary schools/ Academies on the borough are divided amongst us. I therefore also liaise with Ark All Saints Academy and Sacred Heart Catholic School here in Camberwell.

To give you more of an understanding as to what we are all about as a schools team, I have included our core responsibilities...

Visible and familiar contact with the school by the individual officer who will be the main point of contact between the school, partners and police.

Facilitation of crime enquires and initial investigation of appropriate crime reports, where the suspect or victim attends the school or where the school is the venue.

Involvement in multi-agency case conferences and panels both within the school environment and outside for students coming to notice.

Regular uniformed patrol on the routes to and from school and area surrounding the school to address issues such as anti-social behaviour and crime. Enhance close working links with local Safer Neighbourhoods team, Safer Transport Team or Transport Hub team where appropriate and other police and partner departments to develop problem-solving solutions to issues affecting the school and the community.

Development and support for school safety plans including responses to critical and major incidents and implementing protocols for dealing with critical incidents.

Exchange information in line with agreed protocols about issues concerning individual students raised either by the school or police and liaison between internal and external departments such as Public Protection Desk (PPD), Youth Offending Team (YOT), Youth Safety Assessment Toolkit (YSAT), police Priority and Prolific Offender (PPO) team.

I periodically pop in to school during lunch breaks where I have the opportunity to chat with students and exchange news. I also get involved in classroom discussions and presentations where appropriate.

I look forward to meeting as many parents and carers as I can but in the meantime, if there are and questions or concerns you may have, please don't hesitate to get in touch.

Yours Faithfully

Trevor Fox (PC 841MD)
