Dear Parents and Carers,

The parent resource group on Monday was very busy including laminating, photocopying, sewing! Thanks go to all parents who give up their time to help the school.

On Wednesday 12/13H took part in a workshop with Cut films on passive smoking. This is the first in a series of workshops and the class will be making a film. On Thursday 11A had an excellent day go – karting. This was a Jack Petchey award and was enjoyed by everyone. Also on Thursday 8/9L had their final cycling session. Our thanks go to Bike Works.

We held our Friendship Fortnight sing song on Thursday afternoon. Pupils have been sending friendship cards all week. Well done to 7E who have been in charge of delivering post. Today 7L are visiting Tower Bridge. The rest of the school enjoyed a special assembly where we remembered the highlights of this half term.

World Book Day is on Thursday 1st March so please do think about costumes over the half term. This is always a very happy day here.

Could we remind all parents that school shoes should be black, coloured trainers should not be worn in school. Thank you in advance for your support of our uniform policy.

We break up today for half term. We return on Monday 19th February at the normal time.

Eileen

Highshore School Parents Group – Update 2017/18

Dear Parents

I wish you belated greetings for the **New Year** and to inform you that the **Parents Group** are back in action after a well earned **festive break** following a busy **autumn term**.

This included supporting the school with visits, market stalls, parent evenings and resource making sessions. We also had our second school **Sixth form and Reunion disco** in November 17 which was a great success with a record number attendance. We supported the school **Christmas pantomimes** and raised much needed funds for the school and pupils too. We did have some fun at the end of term with a meal arranged by the **staff and pupils** which was very enjoyable.

Our first **Parents Group Meeting** of the **spring term** was on **12 January 2018** which included a presentation given by two senior barristers on **Youth Crime Prevention**. This received a very positive response by those who attended and a lively discussion afterwards. This was followed by a training presentation on **Digital Resilience** on **22 January** which was also very enjoyable and informative. Details and feedback from both events will be provided shortly and placed on the school website.

This week we had our **Parents Resource Meeting** on the **5 February** which was a very productive and enjoyable event as always providing valuable support to the school.

We will also be planning our next **Parents Group International Evening Event** on **16 March 2018**.

This is an **opportunity** to support the school in a **social environment** whilst enjoying good music, food and drink as well as celebrating the **rich diversity** of the school (**wearing National Costumes where possible**) and raising much needed **funds** with our **raffle**. It was another **successful** event **last year** and we expect it to be again with a high attendance. Please look out for further **information (in the next few weeks)** which will be sent with letters in bags and a request for **food/drink contributions**.

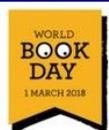

A reminder will also be given through your **class / year group representative** nearer the time.

Thank you and please continue to support the school and pupils at the various **activities** advertised and any **offers** of help can be given to the **Parents Group** (myself) or **Eileen** (office).

I look forward to seeing many of you soon.
