# Highshore School

Dear parents and carers,

Welcome back to Highshore! It's so good to have our Highshore family onsite again! Pupils were very happy to see each other as they returned to school this week. It's an important step for all of us. Colleagues have worked hard over our INSET days to have everything ready for our young people. Please bear with us over the next two weeks while we make adjustments to our arrangements. Everything we've put in place is in the best interests of our young people and their families. Should you have any questions or concerns please speak with your class teacher, Kevin or me.

Please take the time to read my start of term letter which is going home today with this newsletter. We understand that the staggered start and end of day times can be confusing but please do your best to stick to them. We appreciate parents who collect their young people keeping social distance from each other while waiting to collect your son/daughter.

I'd like to thank Southwark transport which has honoured our pupil bubbles keeping all of us safer. Bubbles are working well in school. Pupils have more space in the playground at break time and at lunchtime play. Our one way system remains in place. Pupils are settling in well, some with new class teachers.

Thank you to everyone for staying safe outside of school and following Government guidance. Our doing this helps keep all of us safe inside school.

Eileen
