

Weekly Newsletter

Dear Parents/Carers,

It's good to be back! As you know our server went down last Thursday and we had to purchase a new server which was built Friday evening with data transferred over the weekend. Because of this we were unable to produce a newsletter last week.

We're starting to plan our Christmas arrangements, key dates are included in this newsletter. We will do our very best to give our young people a very positive few weeks. Thank you as always for your support. Arrangements will be different this year. Please be assured that events will be organised safely and that pupils will remain within their bubbles. We ask this year that your son/daughter does not bring cards into school. We will share virtual greetings between classes. Our shows will be recorded and you will be sent a Zoom link so you can watch the show with the family. We always enjoy Christmas jumper day and this will go ahead as usual.

Next week we are holding a virtual parents evening for 12L and 13V. The following week the Parent Group will be meeting on Monday 7th December via Zoom. Please do your best to join the Parent Group meeting. Don Burford, the Chair will share a meeting code.

Whilst the lockdown ends next week London has been placed in tier 2. We all need to continue to follow Government guidance outside of school to keep all of us onsite as safe as possible.

Eileen

Christmas Dates

Friday 4th December	Virtual Christmas Card Afternoon
Tuesday 8th	KS3 Show PM via Zoom
Wednesday 9th December	Christmas Lunch KS4 Show PM via Zoom

Christmas Jumper Day

We are taking part in the annual Christmas Jumper Day on **Friday 11th December** which is always a fun event. We give prizes for the best jumper and best pupil jumper designs. Please encourage your young people to wear a festive jumper on this day.

Pupils of the Week

Due to technical difficulties our newsletter couldn't be published last week.

Here are the **Pupils of the Week** for the last 2 weeks

Pupils of the Week (20/11/20)

7A	Joshua—For fantastic climbing during the PE lesson
7L	Daniel-For independently identifying shapes of 3D objects
