

Dear parents and carers,

The weather has been very warm since our return. Thank you for your support in pupils wearing shorts and tee shirts. Please do remember to send in a water bottle and a hat. Our playground has very little shade in the afternoon.

Our parent group meets on Monday, please contact Don Burford or your class rep if you wish to join the meeting. A representative from Heart n Soul will be speaking to the group. The group is putting arrangements in place for a leaver's prom which this year will only be open to leavers and their families.

Our year 6 clubs started this week. It's good to welcome our September starters onsite again. Thanks go to Year 6 parents for their support.

We continue to await Government guidance for June 21<sup>st</sup>, meanwhile all arrangements onsite remain in place.

Reports will be sent out in July. We are not holding a parent's evening this summer instead class teachers will call you in a few weeks to share class groups for September. We've tried to keep as much stability as possible for our young people.

Please continue to follow Government guidance at this time,

Eileen
