

Weekly Newsletter

Dear parents and carers,

It's great to be back! Our young people are settling in remarkably well despite the building project! We've resumed offsite activity in a measured way. This week classes walked or took a minibus ride to the swimming pool, they will swim for the first time in over eighteen months next week. Our sixth formers have returned to college and Roots and Shoots. If you have any concerns at all about offsite activity please speak to your Key Stage lead or to me.

Sarah - KS3 Lead

Ali - KS4 Lead

Mike - KS5 Lead

Onsite pupils are again transitioning between classes and are enjoying the wider curriculum and seeing more staff members. This month we're limiting visitors and events onsite but do hope if the risk stays low to open up more in October. There was a lot of detail in my start of term letter which went out last week, please make sure you've read it.

At the start of a new term please make sure jumpers and water bottles are labelled. This is really helpful to us. Pupils can continue to come into school in their PE kit on PE days.

Thanks you for your understanding at the end of the school day. During September pupils continue to leave in a staggered way for everyone's safety. Due to the building project it's taking more time to get pupils to you when you collect. Please if you are in a car do get out and let us know you're waiting. The road is very busy and we can't see everyone. Thank you for your support. We know that some parents are experiencing issues with school transport. Please do contact transport directly about this.

Our parent group is meeting on Monday morning 11am via zoom. Please email info.hpgroup@aol.com if you are interested in joining the group. New members are always very welcome!

Have a good weekend and stay safe,
Eileen

Pupils of the Week

7J	Ayaan— For hard work & focus in class and coping well with challenges in the playground
7R	Amira—For an excellent start at Highshore
8A	Amelie—For hard work and fantastic reading
8L	Daniel—For completing the beep test in his wheelchair

14L	Leah—For settling into 14L and helping her class in the subjects, Maths & PE

Star of the Week

Brooke (14J)—For helping a younger pupil in school

What we want to see this term at Highshore School

A

Excellent attendance from all of our pupils.

We are aiming for the best possible attendance from all pupils which is usually 95% or above

Attendance

B

Excellent behaviour.

Our pupils are friendly and welcoming and care about each other. We ask that our pupils model excellent behaviour in class and around the school.

Behaviour

C

Commitment from all of our pupils to work hard and try their best.

Pupils should know their targets and work towards them.

Commitment

Pupils who show outstanding

A B C are eligible for our

Pupil of the Term award
