

Dear parents and carers,

It's been good to see how much our pupils are enjoying transitioning around the school again! The building work is having less impact than we feared and having moved to two separate lunch breaks the playground is feeling less full. Our older pupils are enjoying their offsite activities and we hope to resume individual work experience placements soon.

Out Parent Group met on Monday by zoom, it was good to see a number of new parents at the meeting.

A reminder for year 13 and 14 parents that our second Transitions evening takes place on Monday at 4pm. This is being held by zoom. Please do join the meeting if you can. There are many more options when pupils leave us than college and it's good to be informed.

Farmers Road has been very busy each evening. If you are collecting your son/ daughter please be patient. Please also get out of your car and let us know you're waiting. Thank you for your support. If you need to collect your son/ daughter early each evening please speak to me.

It was good to see PC Trevor again yesterday. Trevor is our school police officer. He will be outside school regularly at the end of the day. He is contactable by families should you need any advice.

Please continue to stay safe,

Eileen
